

## **‘Research and Innovation for the EU Silver Economy’**

**30th January 2025**

**In-person workshop**

Rue du Champ de Mars 21, 1050 Brussels

**Rooms -1 SDR1 and SDR2 (level -1)**

**Draft Agenda – v8**

### **Aims of the workshop**

The Directorate-General for Research and Innovation of the European Commission is organising an internal **Workshop on the Silver Economy** to be held as a **one-day in-person meeting in Brussels on 30 January 2025**.

Over the past years, several Research and Innovation projects supported by the Framework Programme Horizon Europe have addressed different facets of the Silver Economy. This workshop is an opportunity to bring together ongoing and past projects, to showcase their results, to support uptake of these results by policy makers and practitioners, and to identify research gaps to inform future funding opportunities.

Two broad groups of projects have been identified:

- (1) Health, care, skills and technologies and
- (2) Demographic shifts, resilience, sustainability and competitiveness.
